

OUR WINE LIST

Petersham Cellar

OUR ITALIAN WINE LIST IS PRESENTED BY REGION.

Starting from the NORTH, through CENTRAL ITALY, down to the SOUTH. Within each 'regioni' you will find a selection of extraordinary wines. They are listed first by region; then by name, grape variety, producer, vintage and price by glass, or by bottle. Finally there is a brief description of each wine.

Our Sommeliers will be more than happy to help with your selections.

Here at the *Petersham Cellar* our aim is to communicate something of the passion and the innovation which lies at the heart of extraordinary Italian wines. The distinct characteristics of each wine from our ever-evolving cellar are the result of years of dedication and research, with each bottle having been carefully sourced to offer our members the very best the country has to offer. It has been founded by Lara Boglione from Petersham Nurseries and Giovanni Mazzei of Castello di Fonterutoli, Tuscany.

We hope that you will join in our adventure by becoming one a member of the *Petersham Cellar Wine Club*. Throughout the year *Petersham Cellar* hosts wine-tastings and wine-lunches themed on a region of Italy or organised in partnership with a selected wine producer.
